

CASTLE CARY GARDENING ASSOCIATION

Are you interested in gardening? Whether you are starting and want to produce some veg and fruit for your family, need some garden design & maintenance tips or are already an avid plant hunter, the club will be of interest to you!

We normally meet on the first Wednesday of the month, at Caryford Hall. There are 8 or 9 talks each year on a range of subjects (starting at 7.30pm, with coffee from 7pm).

We hold a Spring Plant Sale at the Market House, and an Annual Show at Caryford Hall in August.

There are many benefits of joining, and annual membership currently costs *just* £10:

- Seasonal plants, bulbs, seeds & produce
- Free prize raffle at the end of the year
- 'Open garden' events & trips
- Discretionary discounts on gardening items at some local shops

Why not come along to a meeting, or check our website for details.
